OTHER DOCUMENTS

Examiner: I have examined the disclosure of the invention and the claims and find that the disclosure is in accordance with the provisions of the Patent Act, 35 U.S.C. 101, 102, and 103, and that the claims are directed to an invention.

Examiner: I have examined the disclosure of the invention and the claims and find that the disclosure is in accordance with the provisions of the Patent Act, 35 U.S.C. 101, 102, and 103, and that the claims are directed to an invention.

Figure 1. The effect of the concentration of the *Agrobacterium* suspension on the transformation efficiency of *Agrobacterium* strains. The concentration of the *Agrobacterium* suspension was 10⁶ cells/ml (○), 10⁷ cells/ml (□), 10⁸ cells/ml (△), and 10⁹ cells/ml (◇). The error bars represent the standard deviation of three independent experiments.
